Epsilon Gamma Recruitment

The parties have been chosen (with a few changes from previous years) and the dates have been set, now all we need is **ALUMNAE** support to help make this recruitment a success. Listed below are the times and dates for Fall recruitment. We can use volunteers to help with food, decoration set up, and of course cleanup. We can also use any AGD decorations you may still have to fill the house. If you have any time to spare or items for donation or to borrow, please contact Dawn Large Hart at 303-570-5943 or by e-mail at d_hartofagd@yahoo.com. Thank you for your support in helping to make this Fall recruitment a success!

A Letter from the President...

Wow! This has certainly been a fast summer! I hope you had a relaxing time and are ready to get back into the AGD swing of things! We have some new activities planned (a fundraiser in October) and some old favorites as well (tea at the Brown Palace) and we would love to have you join us.

Allison Stewart has almost finished work on our database and we will be calling people to invite them to participate in activities. If YOU are interested in starting a mini-group (bridge, cards, mother's group, happy hour, downtown lunchers, anything) PLEASE, contact me and we will give you support in the form of email addresses and other contact numbers. *In order to grow our group, it will take more than just the officer team; it will take YOU!!! You are the heart of Alpha Gam!* Make a commitment to AGD right now as you are reading this newsletter. Commit to coming to one more activity than you came to last year. Or commit to starting an AGD group – even one of your chapter sisters – we have all the names of people in Denver who graduated from your school. Contact us and get involved!

Gina Gravina (EG), House Association President

Epsilon Gamma House Association is proud to announce we are finally remodeling! After a successful Annual Meeting where we approved a refinance, we've been able to throw money at updating the kitchen and upstairs bathroom. The collegians wish list included updated kitchen, bathroom, windows, window treatments and new furniture. We're happy to report that most, if not all, should be accomplished by the start of school! During Recruitment the updates will be complete. Please come by for a peek.

I would like to extend a welcome and a huge thank you to all of our House Association Board Members. Without their hard work the whole remodel process would not have been possible.

And a special thank you to Tara Acton, Property Advisor. She departs our board this fall to a new advisor position. Her dedication cannot be expressed in words but this board would not be where it is today without her. Thank you Tara!

Junior Circle

Junior Circle has been busy the past six months along with having fun! In March we had a great turn out with 12 of us enjoying sushi at Japon. April snow showers brought no pottery painting for Junior Circle, but May we made it up at our gracious hostess's home, Dawn Hart, with wine tasting and a slumber party! In June a couple of us volunteered our time and babysat underprivileged children whose parents were in school for our Chicks with a Purpose event. Giddy up! In July we went horse back riding in Silverthorne. We missed ya'll who couldn't make it. We are looking forward to miniature golfing in August and helping the Epsilon Gamma ladies out for recruitment!

Beginning in October you will officially have two new Junior Circle Coordinators! I know Stephanie Weber and Andra Arnold will do a great job! We open our arms welcome them as our fearless Junior Circle leaders!

Epsilon Gamma Chapter University of Denver

Summertime is quickly approaching its end and fall is right around the corner. The women of the Epsilon Gamma chapter are already planning for a great fall recruitment and another outstanding quarter. We will welcome back 32 excited wonderful women ready to recruit and retain a great new member class. Unfortunately eight of these women will be studying abroad. We will miss them as they pursue their studies internationally.

The spring and winter quarters brought 7 new sisters to our circle of sisterhood. These women have already assumed positions as officers and are taking an active role in continuing to make the chapter an outstanding place to be an AGD. This was recognized by the University as they presented the EG chapter with three awards for outstanding scholarship, leadership and activities. Not only are the ladies active within the Fraternity, they take pride in being active on campus.

Again, for the fifth consecutive year, EG has reached Jewel Chapter status, raising more than \$2000 for the Alpha Gamma Delta Foundation. The ladies worked diligently to promote Mr. AGD, our all male beauty pageant, Trick-or-treating for Foundation and various other small projects throughout the year. Congratulations go out to the chapter and thanks to the alumnae that helped contribute to the community.

This year holds the promise of welcoming new members into the circle of sisterhood during our Fall Recruitment process, helping raise money for the AGD Foundation, maintaining the excellent grade point standards, promoting campus visibility and working as sisters to inspire each other and impact the world.

Want to help? The collegiate chapter is looking for a new Recruitment Advisor as well as many other opportunities to mentor and work with these great collegiate sisters. If you are interested, please contact me at: d_hartofagd@yahoo.com or 303-570-5943. It is an amazing and rewarding experience.
